

MNH Visitor Policy

Effective January 8, 2010

Labor & Delivery:

Visitors will be identified at the time of admission. No children under twelve years of age may visit except siblings of the newborn.

- A. Five visitors will be permitted during labor.
- B. Three visitors will be permitted during delivery.
- C. Two visitors will be permitted in the OR/PACU area. **No children** will be allowed in the OR/PACU area.
- D. Siblings are to be supervised by a responsible adult other than the significant other.
- E. **Delivery suite visitors will be banded.**

Post Partum & High Risk OB:

Visiting hours will be 12:00 noon until 8:00 P.M. Four visitors will be permitted plus the significant other. **No children** under twelve years of age may visit except siblings of the newborn. Siblings are to be under the supervision of a responsible visiting adult. This supervision includes:

1. Children are not permitted to run in the hallway
2. Children are not permitted in the hallway alone
3. Siblings must stay in the patient's room while visiting
4. Siblings must be without cold symptoms or illness.
5. Siblings may not stay overnight.
6. Only one adult may room with the patient overnight.

MNH Visitor Policy

Effective January 8, 2010

NICU:

There may be no more than two adult visitors at a time at the bedside. Parents and grandparents may visit at any time except between 6:30 am and 7:30 am, and 6:30 p.m. and 7:30 p.m.

Two siblings may accompany parents to the bedside. Siblings 3 years and older may visit with a parent on Wednesday, Saturday and Sunday for one hour if the sibling questionnaire has been completed and reviewed by MD/NNP/PA/RN.

Newborn Nursery :

Parents and grandparents **only** may visit. The grandparents must be accompanied by the significant other who has the 4th band for identification.

No siblings are allowed in the nursery.
